

Base workflow item

W selected warrant field: **Lang A**

D distractor cue: **Lang B**

gold language y^* : **Lang A**

Controlled edits

Warrant edit

W: **Lang A** $\rightarrow$ **Lang C**

D unchanged

gold language y^* : **Lang A** $\rightarrow$ **Lang C**

Distractor edit

D: **Lang B** $\rightarrow$ **Lang E**

W unchanged

gold language y^* : **Lang A**

Expected triad behavior

sensitivity: y^* changes with **W-edit**

invariance: y^* stays under **D-edit**

Triad-level score

score = 1 iff all three outputs match their gold languages

Held fixed: facts, intent, output form, format contract.

Expected: switch with W-edit; stay under D-edit.
